SPECIAL NOTICE: 2021 TREE & SHRUB CURBSIDE PICK-UP INSTRUCTIONS

Dear Valued 2021 Tree & Shrub Sale Customers:

In accordance with the closing of all county offices throughout NYS due to the COVID-19 outbreak, our office is closed to the public at this time. However, we are still available by phone (716-664-2351 ext. 5) Monday through Friday from 8 AM to 4:30 PM.

In order to still hold our annual tree and shrub sale, we will be organizing a curb-side pick-up to distribute orders in an effort to minimize personal contact. **Curbside pick-up will be held on Friday, April 23rd from 12 PM to 7 PM and Saturday, April 24th from 9 AM to 3 PM at 3542 Turner Road, Jamestown, New York 14701.**

According to New York State law due to the COVID-19 pandemic, it is mandatory that you wear a mask or face covering whenever exiting your vehicle. Someone from the District will meet customers at their vehicle prior to the Tree Pick Up Point to take the name listed on the order. When it is your turn at the pick-up point marked in green on the map below, a staff member will deliver your order to your vehicle.

To make this a positive and safe experience for all involved, it is imperative that you follow the traffic plan shown below without any exceptions and patiently wait your turn. Please stay in your vehicle at all times unless we need your assistance to load your order into your vehicle.

Our staff will work diligently to get everyone through the traffic line as quickly as possible. We thank you for your cooperation during this difficult time and graciously thank all who have plan to place an order.
